

I feel it is important to keep KLOVE on the air. I do not want another LPFM station to take priority over KLOVE. My whole family listens to KLOVE I do not listen to another channel. I want to listen to contemporary christian music. There are enough country rock etc etc. but only one KLOVE. There are people at KLOVE always available to listen and talk to help those in need. KLOVE is funded by it's listeners. Do not leave any room for the possibility of KLOVE to be replaced!!!!!!
